

ANTI-DUMPING NOTICE NO. 2018/182

New approved form Application for the publication of dumping and/or countervailing duty notices

I, Dale Seymour, Commissioner of the Anti-Dumping Commission, have approved a new form to be used in an application for the publication of a dumping or countervailing duty notice.

As authorised under subsection 269SMS(1) of the *Customs Act 1901* (the Act), I have approved Form B108 dated November 2018 for the purposes of submitting an application for the publication of a dumping or countervailing duty notice under section 269TB of the Act ('Duty Notice application').

Both Form B108 dated November 2018 and Form B108 dated September 2017 are approved for the purposes of a Duty Notice application from 1 November 2018 to 31 March 2019. From 1 April 2019, Form B108 dated September 2017 will no longer be approved and Form B108 dated November 2018 will be the sole approved form for the purposes of a Duty Notice application.

The *Instructions and Guidelines for applicants on the application for publication of dumping and/or countervailing duty notices* ('revised Instructions and Guidelines') has been updated to assist interested parties in completing the updated form.

Form B108 dated November 2018, the Instrument approving this form and the revised Instructions and Guidelines are available in the 'Forms and Guidelines' page on the Anti-Dumping Commission's website: www.adcommission.gov.au.
