Application for an
anti-circumvention inquiry into
avoidance of the intended effect of duty

APPLICATION UNDER SECTION 269ZDBC OF THE *CUSTOMS ACT 1901* FOR AN ANTI-CIRCUMVENTION INQUIRY INTO AVOIDANCE OF THE INTENDED EFFECT OF DUTY

In accordance with subsection 269ZDBC(1A) of the *Customs Act 1901* (Act), I request that the Anti-Dumping Commissioner conduct an anti-circumvention inquiry in relation to a notice published under subsections 269TG(2) or 269TJ(2) of the Act, in respect of the goods the subject of that notice.

I consider that there are reasonable grounds to assert that circumvention activity has occurred that is avoiding the intended effect of duty.

This application is made by a person representing, or representing a portion of, the Australian industry producing like goods, which considers that the circumvention activity in relation to the notice has occurred.

I consider that it may be appropriate to alter the notice because of the circumvention activity.

I confirm that:

- This application does not describe any other kind of circumvention activity in relation to the notice detailed above; and
- I have not made an application, which has resulted in an anti-circumvention inquiry into avoidance of the intended effect of duty, in respect of the notice detailed above, within the previous 12 month period from the date of this application.

DECLARATION

I believe that the information contained in this application:

- provides reasonable grounds for the conduct of an anti-circumvention inquiry; and
- is complete and correct to the best of my knowledge and belief.
