Australian Customs Dumping Notice
No.2000/2

CUSTOMS ACT 1901 - PART XV B

**TERMINATION OF AN INVESTIGATION
INTO THE ALLEGED DUMPING
OF
A4 COPY PAPER FROM BRAZIL**

The Chief Executive Officer of the Australian Customs Service has terminated the investigation into the alleged dumping of certain exports of A4 copy paper from Brazil.

On 29 June 1999 Customs advised the initiation of a dumping investigation under section 269TAG of the *Customs Act 1901* into whether anti-dumping measures should be imposed on certain exports of A4 copy paper from Brazil (excluding those from Companhia Votorantim de Celulose e Papel).

In the statement of essential facts of the investigation, Customs concluded that the volume of dumped goods from Brazil was negligible - when expressed as a percentage of the total Australian import volume. Under these circumstances, s.269TDA(3) of the *Customs Act 1901* requires the investigation to be terminated.

Notice of this decision was published in the Australian Financial Review of 3 February 2000.

Interested parties may request a review of the Minister's decision by lodging an application for review with the Trade Measures Review Officer in the approved form and manner within 30 days of the publication of this notice.
