The Anti-Dumping Commission (the Commission) has completed its revocation review, which commenced on 16 May 2013, of the anti-dumping measures applying to greyback cartonboard (“the goods”) exported to Australia from the Republic of Korea.

The Minister has considered REP 210 and has accepted the Commission’s recommendations and reasons for the recommendations, including all material findings of fact or law set out in the Report.

Under subsection 269ZDB(1) of the *Customs Act 1901* (the Act), the Minister declared that, for the purposes of the Act and the *Customs Tariff (Anti-Dumping) Act 1975*:

- to the extent that the anti-dumping measures concerning the goods involved the publication of a dumping duty notice that, with effect from 8 June 2013, the notice is taken to have been revoked in relation to exporters generally; and
- to the extent that the anti-dumping measures concerning the goods involved the acceptance by the Minister of an undertaking that, with effect from the date of publication of this notice, Klean Nara Co Ltd formerly known as Daehan Pulp Co. Ltd is released from the undertaking and that the investigation giving rise to the undertaking is terminated.
